

PIZZA AND FOOD DELIVERY

1. Keep money for change to a minimum. Try to go back to the restaurant/shop after each delivery so your money does not buildup.
2. Have telephone person ask customers to turn on outside lights. If lights are not on when you arrive, call if possible before exiting the vehicle.
3. If for any reason the delivery person feels uncomfortable, do not exit the vehicle.
4. Never enter the house or apartment. Always stay outside.
5. Be aware of slip and fall exposures before exiting the vehicle. Check for holes, ice, etc.
6. Have drivers sign a form that they will follow all safe-driving procedures.
7. Have magnetic signs for drivers stating, "If I am not driving safely, call telephone #."
